About Us

Our highly specialized team provides exclusive services for VVIP passengers and aircraft crew. Dedicated VIP aircraft bays are conveniently located near four exclusive lounges, offering comfortable waiting areas, shower facilities, a variety of drinks, delicious meals, and access to phone, Wi-Fi, and cutting-edge communication facilities. Discreet and secure airside transfers are available between the aircraft, VIP facility, and domestic and international terminals. Our ground-handling and technical support team ensures a quick and seamless turnaround for the flight crew. Comprehensive support, including refueling, flight planning, weather reports, permits, catering, and hotel accommodations, is readily accessible through our FBO staff.

Our Services

Luxury Aircraft Handling and Support

- Ground Handling Aircraft Parking
- VIP Meet and Greet

- Fuel Supply Flight Permits
- Crew and VIP Passenger Support Services Concierge Services

Charter Flight Charges services

Handling rates are determined by your aircraft's Maximum Take-Off Weight (MTOW), covering essential services like marshalling, chocking, safety cones, and assistance from our FBO Customer Service Agents.

This also encompasses the preparation and printing of flight-related paperwork, local flight plan filing, coordination of on-ground services, and movement messages.

Ground Handling Equipment

Elevate your journey with our premium services, including AC, Sir Start Units, Belt Loader, Headset Service, GPU, Toilet Service, and Tow Bar. Experience seamless cargo handling, optimal in-flight comfort, and efficient communication. Our commitment extends to waste collection, recycling, and a reliable water service. Trust Euro Aviation team for an unmatched aviation experience – excellence in every detail.

Aircraft

PARKING & CLEANING

Our state-of-the-art facilities and meticulous attention to detail ensure a seamless parking experience for your aircraft, coupled with thorough cleaning services that guarantee a spotless and welcoming environment for your passengers. Trust us to elevate your aviation experience with unmatched precision and care.

Transportation & Hotel Bookings

Step into a world of tailored luxury. From a warm on-ramp greeting to seamless transportation and beyond, our services extend to hotel bookings. Allow us to curate your entire journey, ensuring a smooth transition from air to ground. Trust our dedicated team for personalized attention, making each step of your travel experience unforgettable. Elevate your journey with Euro Aviation —where hospitality meets precision in every detail.

EURO AVIATION

Catering

We go the extra mile to cater to your tastes. Enjoy the convenience of pre-booked catering services where we can arrange your favorite cuisines from top-notch restaurants. Whether it's a specific dish or a curated menu, we tailor your in-flight dining experience to your preferences.

EUROAVIATION

VIP Lounge

Enjoy the privilege of VIP lounge access, offering a serene and sophisticated environment for pre-flight relaxation. Our seamless services also include expedited passport control, ensuring a swift and hassle-free transition through security measures.
